

ID Information Card for Person With Fetal Alcohol Spectrum Disorders

This ID card is a modified version of the card proposed by
[Fetal Alcohol And Drug Unit](#)
Department of Psychiatry and Behavioral Sciences
University of Washington School of Medicine
&
[University of Washington School of Law](#)

For more information on the use of a Medical Information ID Card, please visit:
<http://depts.washington.edu/fadu/legalissues/policecard.html>

**Print this out, cut it out front and back to same size as a business card.
Laminate the front and back together to make one durable card.
Carry the ID card at all times.**

<p style="text-align: center;">MEDICAL INFORMATION FOR POLICE</p> <p>I have a Fetal Alcohol Spectrum Disorder, a birth defect that causes brain damage. Please contact the person listed on the back of this card.</p> <p>Because of this birth defect, I may have difficulty understanding my legal rights. I could be persuaded to admit to acts that I did not actually commit. I am unable to knowingly waive any of my constitutional rights, including my <u>Miranda</u> rights.</p> <p>Because of my disability, I do not wish to talk with law enforcement officials except in the presence of and after consulting with an attorney. I do not consent to any search of my person or property.</p>
<p>For information or assistance regarding:</p> <p>_____ Please contact:</p> <p>_____ _____ Doctor or diagnostician:</p> <p>_____ (Please read the other side of this card.)</p>
